

## FORGED LINK STANDARD SERIES

### FORGED LINK STANDARD SERIES

This series stands out as the forefront product in the market. Forged fork link chains have emerged as exceptionally reliable conveying mediums, showcasing a unique blend of versatility, strength, and abrasion resistance. Originally of European origin, these chains have now gained global recognition.

FORGED LINK STANDARD SERIES

| Chain Number | P     | T  | C  | S  | F  | R  | D  | TN* | CN*  | CD*  | Weight |
|--------------|-------|----|----|----|----|----|----|-----|------|------|--------|
| JKF 10160    | 101.6 | 24 | 36 | 9  | 10 | 6  | 14 | 110 | 120  | 210  | 3.50   |
